

My odyssey for Odyssey - the Three Peaks by Kayak

On 10th June Nick Ray arrived in Aberdovey having paddled 518 miles from Fort William, and cycled/walked 80 miles to include ascents of Ben Nevis, Scafell Pike, and Snowdon. This was all accomplished solo by sea kayak and largely unsupported, taking just under a month to complete. Nick will be travelling down from Scotland to give an illustrated lecture on this recently completed epic adventure. This will be a fundraiser so there will be a small entrance fee (£5) and a raffle and auction of promises. He is a brilliant speaker and will have some great pictures and great stories to tell. The yacht club in Aberdovey is an excellent venue, and the bar will be open!

Please come along, bring your friends, and support this event. All funds raised going to Odyssey Project www.odyssey.org.uk .
