

## 29<sup>th</sup> April, 2023

# Slip to The Brit

### For Wales Air Ambulance

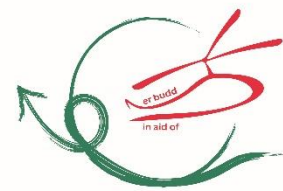

A new Event, a fund raising Beach Race is to be held on Saturday 29<sup>th</sup> April asking people to walk from The Victorian Slipway Pub on the seafront in Tywyn, to The Britannia Inn, Aberdyfi. The **'Slip to The Brit Beach Trip'** is around 4 miles along the beautiful sandy beach, so avoiding the road completely.

A 12 Noon official send off from Tywyn (low tide 11am) will give most plenty of time to reach Aberdovey. The Organisers at the Tywyn end will check you through the timer gates, then participants are asked to walk, run, bring the dog, ride a bike – ride a horse!.... in fact anything without an engine. Fancy Dress, your own company T shirts, Club, or group from an Organisation are encouraged and timing will be taken for those choosing to be competitive. When you reach the Check-in on the Wharf at Aberdovey, The Brit will welcome you with a selection of Guest Real Ales and a Festival Bar set out on the Harbour. Lunches & refreshments will be available all afternoon from The Brit, the Yacht Club and the interesting collection of Pubs & Cafes along Seaview Terrace. Please bring your friends to spur you on and in the evening, local singer Lewis Sayes will be playing his classic favourites, joined by some other Musicians and our own DJ Leo Lightfoot.

Please ask at The Brit for entry forms, the Registration fee for the one way Trip is £10 per person, Registration will provide you with the Timer wristband. We ask that you do your best to raise sponsorship donations to be passed to Wales Air Ambulance. No minimum, as every contribution is appreciated. The whole day will be filmed for distribution on Social Media, so please look your best!
